

# Sevenoaks U3A Science Group

## Seminar 2019

### “Forensics: The Expert Witnesses”

Wednesday 5<sup>th</sup> June 2019 @ 9:45am

Orchards Events Venue,  
East Malling Research, New Road,  
East Malling, ME19 6BH

Forensic evidence is essential in supporting the criminal justice system. The major areas of criminal activity that are of public concern are Drug misuse/abuse, Gun Crime and DNA analysis. We have invited four speakers, all expert in their respective fields, who will present the real facts and examples of the work they undertake in the following programme:

09:15 Registration Coffee/Tea
